Re. case no. CV 08 1483

Dear Sir or Madam,

I am in receipt of a copy of my civil rights complaint, stamped and filed on 3/17/08.

I am requesting provision of a summons and civil case management form, or any other documents I need to complete to have my complaint served, if any.*

I received an 'ECF Registration Information Handout.' As a prisoner, I do not have access to a computer to participate in this program. I will, however, follow directions and serve a copy on the defendants.

It is my understanding that as I am proceeding in forma pauperis, the summons and complaint will be served by a federal marshall. Please correct me if

I am wrong. I do not have access to a process server, and by prison rules, must mail out my legal mail myself. Your letter indicates that I may attach a request for appointment of counsel. I would like to have counsel appointed, if I can reserve the right to proceed in pro per if counsel proves inadequate.

Thank you.

Susan Alke

- * I did not receive a copy of the handbook entitled 'Dispute Resolution Procedures in the Northern District of California', a copy of the 'Order Setting Case Management Conference', 'standing Orders of the assigned Judge', or form for preparing a Case Mgt. Statement.
could you please also provide a waiver of service agreement?
